

# 2015 Operation Barnabas Itinerary & Mailing Addresses

The addresses listed below are the places where the OB team members are currently scheduled to be ministering on the dates listed. Please understand that sometimes there are last-minute changes or additions to the OB schedule so if you are planning to visit your student, please call ahead to the ministry site to confirm dates and times. There will be days during tour and debriefing when mail delivery is not possible for various reasons, so if a mailing address is not listed ☒, OB mail should not be sent to that location. Make sure you specify the person's name on the mail in the top line of the address and that he/she is on OB; ex. John Smith – Operation Barnabas.

*(any packages should be limited and small-- keep in mind that contents of packages sent to students must be incorporated into the student's personal luggage)*

Please plan ahead and allow sufficient time for your letter/package to arrive—for example, if you want your letter to be received on July 10, you should have it in the mail by July 3—allow at least one week to avoid disappointment—Operation Barnabas and host churches are not responsible for undelivered mail.

Phone numbers are included for parent contact only—if no phone listed and emergency contact is necessary, call TK, the Director of OB at 574-527-6537
