

Operation Barnabas Ministry/Mailing Itinerary 2019

as of May 24, 2019

Mail - Addresses listed with ☒ are the locations for that tour where letters for that team member can be sent. Make sure you specify the person's name on the mail in the top line of the address and that he/she is on OB; ex. John Smith – Operation Barnabas. (*letters and cards only – we are not able to receive packages!*) **Please plan ahead** and allow sufficient time for your letter to arrive—for example, if you want your letter to be received on June 29, you should have it in the mail by June 22—**allow at least one week to avoid disappointment**—Operation Barnabas and host churches are not responsible for undelivered mail.

Visiting the Team - If you or other friends/family are planning to visit a team or student, please limit visits to no more than one per tour and a Sunday morning ministry location. Please contact the ministry site ahead of time to confirm time of the service (*the CE National/OB office does not know service times*). Phone numbers are included for parent contact only—if no phone listed and emergency contact is necessary, call TK, the Director of OB, at 574-527-6537
